

LET'S MAKE A PAPER PLANE

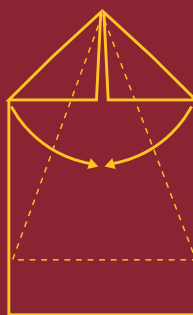

1

With the Denver Nuggets logo facing up, fold the sheet in half and then open it back up.

Then fold the top corners into the middle.

2

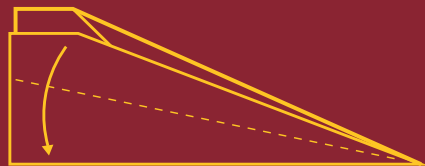

Fold the top corners in one more time.

3

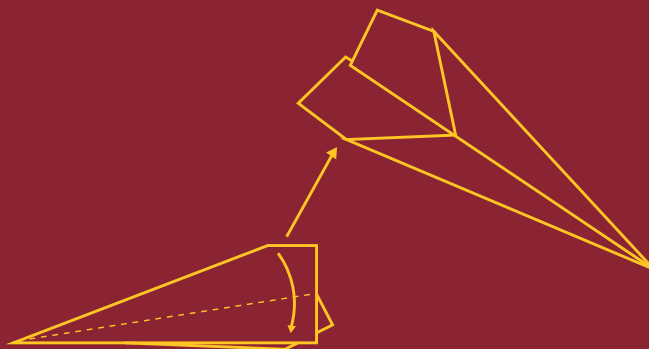

Fold the left side into the right side.

4

Fold the top edges on both sides down to the bottom edge as shown in the picture to the right.

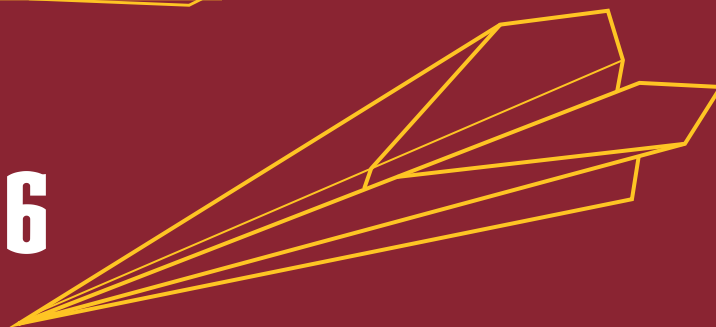

5

Flip the wings up and now you have your own Denver Nuggets paper airplane!
